

## China Canton, Embroidery On Silk In A Frame Imitating Bamboo

390 EUR

Period : 20th century

Condition : En l'état

### Description

Lovely Chinese embroidery, with polychrome threads on a cream silk background, around 1900, representing flowering branches, birds and butterflies, very nicely framed in a frame imitating stucco bamboo, brown lacquer with gilding highlights, some gaps in the frame, the embroidery shows small stains that are not very visible, very good general condition dimensions at sight: 66 x 45 cm framing:
