

## Prud'hon In The Style Of, Foot Study

950 EUR

Period : 19th century

Condition : Très bon état

Width : 21.5 cm

Height : 26.5 cm

### Description

PRUD'HON in the style of  
Etude de pied  
Light highlights of white gouache

The dynamic position of the foot, all in tension, introduces us to the universe of artists who illustrate the heroism of antiquity. One imagines the emulation of Greuze and Bouchardon within the effervescence of the workshop. Representing the Greek foot, with the longer secundus is characteristic in a neoclassical way.
