Beautiful Pair Of Sconces 6 Arms Of Light In Cut Glass And Crystal

330 EUR

Signature : Travail français

Period : 20th century

Condition : En l'état

Description

Pair of cut crystal sconces with three branches entirely sheathed in glass and adorned with glass flowers, three cups. They are richly embellished with cut crystal pendants of different sizes. The base at the back which allows them to be placed on the wall is also entirely covered with glass flowers. Adorned with a large number of pendants, hence their very beautiful volume, for a "great century" effect, they will easily find their place in your interior. Their electricity has been revised and works perfectly. Dimensions: Width: 34 cm height: 38 cm With the candle: 45 cm With the bulb: 52 cm Depth: 23 cm Good condition despite some scratches from use to the pendants - difficult to avoid when the luminaire is old and has been used - Lack 3 tassels on the cups, not very visible depending on the positioning or can
