green marble. These meticulously executed details bear witness to the exceptional craftsmanship of the era.

#### A Furniture of Distinction

The table is richly decorated with sculptures and ornaments typical of the Napoleon III style. The legs feature carved motifs of acanthus leaves and flowers, while the sides are embellished with sculpted pilasters topped with Corinthian capitals. A carved border of acanthus leaves and flowers elegantly frames the tabletop.

#### A Coveted Collectible

This Napoleon III card table is a piece of furniture of exceptional quality, reflecting the refinement and luxury of the period. Its remarkable state of preservation and meticulous details make it a coveted collectible, capable of enhancing any interior.
