Description

PEUGEOT 201 delivery van in polychrome lithographed sheet metal by G DE ANDREIS.

In 1922 Giacomo De Andreis, originally from Genoa, moved to Marseille, 33 rue St Esprit (Alfred Curtel, Marseille 10^{ém}) in the Capelette district. This metal printer makes illustrated metal boxes, advertising signs and toys in lithographed sheet metal.

Ets G de Andreis

1st original model without mechanism.

"Square body" type van, in red and gold button colors, black roof. The name of the company is "SERVICE ROUTIER SR". The back indicates that departures are daily. ". The windows are also sheet metal, and the silhouette of a driver appears
