

Barrel Lock With Wine Grapes

650 EUR

Period : 19th century

Condition : Très bon

Material : Solid wood

Length : 470 mm

Height : 85 mm

Depth : 80 mm

Description

Burgundian or alsacian barrel lock in carved oak wood with bunches of grapes and vine leaves on the angled edges. The central hole is increased by a trim of wrought iron with fleur-de-lis to accommodate the closing nut.

The bunches of grapes are in strong relief and it is a rare and elegantly decorative specimen although less elaborate than the usual Alsatian pieces.

France, early 19th century
