We offer you these very beautiful old candlesticks, they are massive while being very elegant. The stem with grooves and acanthus foliage followed by a knot at its base is screwed onto a strong umbilical of a large diameter so the upper part rises in a dome formed by a corolla of acanthus leaves, its perimeter adorned with a large frieze of laurel leaves and berries crossed with ribbons. The upper part of the shaft is decorated with diamond-point faceted motifs alternating with foliage inscribed in squares and
