motifs, arranged in symmetrical patterns. The ensemble is enhanced by gilded bronze appliqués in the shape of acanthus leaves, shells, and flowers.

The clock face is made of enameled porcelain and adorned with Roman numerals. The hands are gilded and delicately curved. The clock has a pendulum movement, visible through a small glass window on the back wall of the case.

Condition

The clock is in very good condition. The case has no visible damage, and the marquetry is intact.

The clock mechanism works precisely and strikes the hours regularly.

Use and Functionality

The Boulle style mantel clock is not only a beautiful decorative object but also a functional piece of furniture. It can be used to measure time and adorn a fireplace or other furniture. This clock fits perfectly into classic interiors but can also be an original element in a modern setting.

Value and Significance

The Boulle style mantel clock is a valuable and precious piece of furniture. It not only testifies to the craftsmanship of the old masters but also to history and culture. This clock can be a cherished heirloom or an investment for the future.
