

Large 18th Century Dish In Rouen Earthenware

680 EUR

Period : 18th century

Condition : Bon état

Material : Earthenware

Diameter : 40 cm

Description

Superb and large dish in Rouen faïence from the 18th century with blue camaïeu decoration decorated with lambrequins and bouquets of flowers around the perimeter. The center is decorated with a pattern of scrolls and acanthus leaves. Quality work in very good condition, the blues have remained very bright. Very slight chips on the edge visible in the photos, no cracks or restoration.
