Description

Stylized model by Paul Fouillen model 510-1250
In 1922 the Grande Maison HB in Quimper embarked on the production of art sandstone called Odetta, a name inspired by the Odet river which borders the factory and from where extract the clay. An exceptional period begins for Quimper ceramics thanks to the collaboration of a large number of creators (Garin, Brisson, Beauclair, Renaud, Rol, Chanteau etc.)
