Description

In this sale a large rare 8 lights mid-century French chandelier, really outstanding quality with many clear, green, yellow, purple and amber Murano crystals. The gilded metal structure has 8 lights arms with nice curves, leaves and flowers. Please look at the photos to see the quality of this chandelier. Datation is 1950/1960, design from avant-garde movement inspired by Sci-Fi of the fifties and called Space Age. Works well too in a 70' pop deco.

No parts missing on the chandelier, all crystals has been checked and some attach has been changed, all has been verified. Gilded parts are in very good condition, very light use and wonderful patina.
