Material : Oil painting

Width : 75

Height : 94

Description

Very beautiful painting of large dimensions 94x75 cm representing a village of Burgos in Spain. Animated scene with characters and carioles. Very beautiful pictorial technique with a nice palette of colors brushed by the painter, generous in material and lively! Remarkable light rendered by the artist. In very good condition, with its old patina, in its juice! Very decorative painting and of good quality! Do not miss !
Stunning !
