

Tennis Racket Pendant & Diamond

270 EUR

Period : 20th century

Condition : Parfait état

Material : Gold

Description

The tennis racket design makes this pendant a special accessory for tennis lovers or those who enjoy the sport in general. It is a great way to show your passion for tennis or celebrate your achievements in the sport. The Diamond Tennis Racket Pendant is a unique and elegant piece of jewelry, specially designed for tennis enthusiasts. The details provided indicate that the pendant is adorned with diamonds with a total weight of 0.10 carats. Although the weight of the diamonds may seem relatively small, they still add a touch of sparkle and subtle shine to the pendant. The pendant is made of gold, with a total weight of 2.20 grams. The choice of gold as the metal for the pendant gives it durability and precious value.
