Golf Clubs Pendant Bicolor & Diamond

351 EUR

Period : 20th century

Condition : Parfait état

Material : Gold

Description

This "Golf Clubs Pins Bicolour & Diamond" brooch is an elegant and unique piece that can be worn as an accessory to a golf outfit or as a style statement for other special occasions. "Bicolour & Diamond" golf brooches are beautiful pieces of jewelry designed for golf enthusiasts. The details provided indicate that the brooches are adorned with diamonds with a total weight of 0.05 carats. Although the weight of the diamonds may seem relatively small, they still add a touch of brilliance and elegance to the brooch. The brooch is made of gold, with a total weight of 3.0 grams. The choice of gold as the metal for the brooch gives it durability and precious quality.
