

Astonishing Officer's Clock, Folk Art Circa 1880 / Antique Militaria Clock

360 EUR

Period : 19th century

Condition : Restauré par notre atelier

Description

Quick description

Astonishing officer's clock, folk art around 1880.

Presence of two brass cabochons with a pair of crossed barrels.

Made from different metallic elements, with an enamelled dial.

The original movement being too incomplete and in too poor condition, a classic quartz movement was adapted with the original hands.

Perfectly functional, marvelous patina of time, cleansed and protected.

Dimensions

22cm high, 18cm deep and 16cm wide.
