## Description

Magnificent display case in molded and curved solid coral wood, decorated with patinated brass clover leaves. It opens with a glazed door with split uprights, on two glass shelves supported by gilt bronze brackets, a belt drawer, a niche compartmentalized by a shelf with rounded cutouts in the lower part, and a niche flanked by headbands with curved ears in the upper part. Exceptional quality of cabinetmaking, we replaced the fabric of the bottom which originally was a pleated silk in the manner of Majorelle, the glazed part is equipped with lighting by a very discreet LED bar. School of Nancy Period 1900
