800 EUR

Signature : Henri Joseph- Harpignies (1819-1916)

Period : 19th century

Condition : Bon état

Material : Paper

Length : 12cm pour l'un ; 13.6 cm pour l'autre (à vue)

Width : 8.2 cm pour le premier; 9 cm pour le second (à vue)

Description

There is no need to introduce Henri-Joseph Harpignies, a major protagonist of the Barbizon School, advocating the direct observation of Nature and operating a revolution in sensibilities announcing Impressionism. The pastel technique is here particularly suited to rapid capture and sensitive restitution of the atmosphere of the place.
