Description

A Captivating Clock with a Touching Sculpture

This exquisite clock immediately captures the eye with its unique sculpture depicting a man tenderly holding a baby. Crafted from bronze, it boasts a gleaming surface subtly enhanced by a protective layer of varnish.

A Harmonious Composition

The clock's face, adorned with inlays of brass and malachite, offers a striking contrast to the bronze sculpture. The delicately inlaid plant and geometric motifs lend an air of elegance and refinement to the ensemble.

Remarkably Preserved

The clock has retained its original beauty despite the passage of time. The bronze sculpture bears no visible signs of wear, and the inlays remain intact. The clock's mechanism operates with

precision and chimes the hours regularly.

A Decorative and Functional Piece

Beyond its primary function of timekeeping, this clock stands as a true work of art, gracing any interior. The tender sculpture and the refined details make it a unique and timeless centerpiece.
