

Olifant Luluwa From Congo

3 500 EUR

Period : 20th century

Condition : Petit manque

Material : Horn

Description

Carved wood in the round measuring 57cm long
LULUWA ethnic group from CONGO Real little
masterpiece of wood carving, of remarkable
finesse with rarely equaled precision of detail I
hesitated for a long time to know if it was wood
or a horn, the patina is so shiny, the result of
repetitive use. Remains of skin stretched with
small copper nails A small lack to report at the
level of the rear headdress Nice collector's item
