Description

"The expected declaration" according to Watteau,

This painting by the master, painted at the beginning of the 18th century, has been copied many times because of its success. This is the case with our canvas, which faithfully reproduces the original work.

Painted in the 18th century, this oil on canvas was re-canvased and restored formerly.

It is presented in its original frame dating from the 18th century, in carved and gilded wood.

The original work can be seen at the Museum of Fine Arts in Angers.
