

## Queen Anne Flintlock Type, 18th Century

595 EUR

Period : 18th century

Condition : Très bon état

Material : Walnut

### Description

Queen Anne Flintlock Type, 18th Century Queen Anne type forced bullet pistol with unscrewable barrel (blocked), round, with thundering sides and slightly bevelled towards the muzzle. Decorations of golden foliage on each side. The inside of the barrel with 8 stripes, without signs of corrosion. Platinum and flat-bodied gooseneck hammer. The plate without markings measures 9cm in length. Its operation is only at a notch which works very well. Dark walnut frame, hand checkered with repairs to the front of the barrel. Oval steel cap just like the trigger guard and counter-plate. Barrel length 7 cm Total length 22.5 cm Ref S3068
