

18th Century Console Table

6 500 EUR

Period: 18th century

Condition : Très bon état

Material: Gilted wood

Width: 160

Height: 76

Depth: 98

Description

Important Louis XV period violin console table in tieulle wood. It rests on four arched legs in windings decorated with foliage and which are joined by an X-shaped spacer surmounted by a spectacular cassolette. The waistband is curved with a shell pattern and acanthus leaves. The set supports a very beautiful Languedoc red marble included in the frame and which perfectly matches the movement that this piece gives off.
