Description

Bronze proof representing the bust of the composer Beethoven after the original work of the sculptor Henri Onesto. it is an edition bronze with green patina from the art deco period circa 1925-1930. It bears the France bronze stamp which authenticates the material and the origin as well as the signature of the artist associated with the lost wax technique. very good state of preservation for the bronze but two shocks to report on the marble base. Quality historical souvenir for music lovers.
