Description

Presenting a flat and openwork setting at the level of its basket, this old ring is adorned, in a closed milgrain setting, with a noble Australian opal, in an entourage of rose-cut diamonds.Period: 20th centuryMain material: yellow gold, 750 thousandths, 18 carats.Opal weight: 9.70 carats.Proportions: Height: 19.9 mm, width: 16.7 mm, thickness: approximately 4.8 mm, width of the ring at the base: approximately 2.1 mm.Net weight: about 6.5g.Old jewel - Work from the beginning of the 20th century.Our opinion: The opal presents many sets of colors in greens, blues, like glitter.The story of this jewel: this old ring was the result of a long restoration, it reached us with its broken opal. We had to have an opal of the finest quality cut to measure to restore it to its former glory.Sizing possible, contact us.To know
