### Description

For pierced ears. Old pendant earrings consisting of a pattern formed by an old cushion-cut diamond retained with claws, and a shuttle set with a brilliant-cut diamond, another small diamond ending the pattern. A tassel formed of a knot and a loop adorned with diamonds, retains in its center an old cushion-cut diamond, retained with claws. The earrings are threaded from the front and a break keeps them in place. Period: 20th century Main material: white gold, 750 thousandths, 18 carats, owl hallmark. Total diamond weight: approximately 2.10 carats. Proportions: Height: approximately 4 cm, width: 13.6 mm. Net weight: about 4.7g. Authentic old jewel - Work of the 20th century. Our opinion: All in whiteness, these antique diamond earrings will elegantly dress your ears. To find out
