

Kinderbringer "the Babies Merchant" clown, Porcelain Subject From The Napoleon III Period

895 EUR

Period : 19th century

Condition : Très bon état

Material : Porcelain

Height : 9,5cm

Description

This rare subject represents a clown holding 6 babies: 2 in his back, 2 in his arms, 2 in front of him.

Dimensions: 3 3/4" tall

It is in very good shine except for micro-chips at the base, visible in the photo.

We are thrilled to present three different kinderbringer from a European private collection that was in the making for over 5 decades. Enjoy some of these rarities!
