

Lamp In Silvered Bronze And Enamel

450 EUR

Period : 20th century

Condition : Très bon état

Material : Bronze

Diameter : 40 cm

Height : 69 cm

Description

This lamp in silvered bronze and turquoise enamel is inspired by the Directoire style with its straight lines and the ogee base. It is probably Italian work from the early 1980s. It is noted that there is a lack silvering on the foot (photo). The lamp is sold with or without lampshade. For more information, please feel free to contact us. Height without the lampshade: 52 cm width of the foot: 16 cm
