Beautiful Set Of 9 Earthenware Plates To The Model, XVIIIth Century, The Wing Moved Underlined C

480 EUR

Period : 18th century

Condition : Très bon état

Material : Earthenware

Diameter : 22 cm

Height : env. 2,5-2,8 cm

Description

Rare set of nine 18th century earthenware plates; a sober and charming model with a cut-out and turbulent edge, the wing of which is encircled by a coral-coloured painted bead flanked by two manganese nets.

The bowl centered with a charming and delicate motif of a small flower or fleurette.

It is most certainly a factory in the South West of France; I am thinking in particular of Bordeaux.

Note that eight plates are in excellent condition; the ninth has a chip and a visible crack (it does not sound clear).

If you have any questions, do not hesitate, we are at your disposal.
