

## Chandelier 1950 Murano Shells In Handmade Glass Paste

1 250 EUR

Period : 20th century

Condition : Très bon état

Material : Glass paste

Diameter : 51cm

Height : 43cm

### Description

1950/1960 Murano chandelier with 7 lights in translucent glass paste with a mother-of-pearl appearance decorated with large shells, corrugations smooth to the touch on the outside and white granite on the inside. The glass elements attached on four levels are in perfect condition. Slight differences, if observed closely, indicate manual craftsmanship and not mass production. Their shape has a "folding" upwards which allows a perfect grip on the structure of the gilded metal chandelier. Dimensions: Total height: 83cm Height: 43cm Diameter: 51cm The height of 83cm can be reduced to 68cm by removing links. Shells: about 18cm x 14cm thickness 1cm chandelier weight: 13kg Shipping worldwide, please ask for a quote All our items are professionally double boxed, full insured, real
