Description

Stained glass model for a tympanum for a church in Raon-L'Etape (88372). Graphite, gouache watercolor on tracing paper. Proposed by Charles Krieger successor to Georges Janin (1884-1955) as indicated by the stamp of the workshop at the bottom right. Still on the right is the collector's stamp of the Parisian antique dealer Claudius de Jonge. An inscription at the bottom left suggests that the proposal remained without follow-up: "There is nothing to put that on!"
