Large Part Of French Cut Crystal Service - End XIX Beginning XXIth

220 EUR

Period : 19th century

Condition : Bon état

Material : Crystal

Height : de 7 à 12 cm pour les verres

Description

Large part of a service in French cut crystal - end of the 19th and beginning of the 20th century Most certainly, the unsigned work of a great French crystal maker, such as Daum, Baccarat, Val Saint Lambert, Villeroy... Creation at the end of the 19th century, or even the beginning of the 20th century Excellent signature sound, for high quality crystal. These objects do not contain any trace of limestone, the crystal has remained pure and translucent. 40 pieces in total, all the pieces have been finely worked, decorated with concentric arches, which form a floral pattern when seen from above. For a table service, à la française, water glass, red wine, white wine and/or liqueur and champagne All the pieces are in good condition, except for 5 glasses, a panorama photo (with red circles), allows you to

see the type of accident, this type of accident can be corrected by a glass craftsman, without any problem... Composed of >>> -12 water glasses, height 12 cm, diameter at the rim approximately 7.5 cm (1 glass damaged in this series) - 7 red wine glasses, height 9.7 cm, diameter at the rim approximately 6.7 cm (2 damaged glasses in this series) - 10 white or sweet wine glasses, height 8.1 cm, diameter at the rim approximately 5.7 cm (without accident) - 9 champagne glasses, height 7.2 cm, diameter at the rim approximately 10.4 cm (1 damaged glass in this series) With a corked decanter, perfectly original stopper, carafe and stopper at the same number. And a jug with a handle. As always, at that time, for the big names in French glass art, the pieces did not bear any mark or signature. Ideal, to complete or leave as it is and use it that way (many parts...) ATTENTION, you can review several packages to ensure delivery without any risk, between 2 and 3 packages. This is to avoid shipping the decanters with the glasses...
