

## American School Circa 1980 : "caterpillar Abstraction"

180 EUR

Period : 20th century

Condition : En l'état

Material : Paper

### Description

American school circa 1980: "Abstraction the caterpillar", mixed technique on large fiber vegetable paper 17 X 24 cm, mounted by a marie-louise in a red lacquered frame 37 X 45 cm (accidents). Unfortunately unsigned, this work, both by the choice of the palette and by the alternating composition is most interesting. The backing board is American, which led me to this country, but nowadays, with the mobility of populations, nothing is certain!
