

Pair Of Delft Bottle Vases

700 EUR

Period : 19th century

Condition : Parfait état

Material : Earthenware

Height : 43 cm

Description

We present this pair of polychrome bottle vases from the DELFT Holland earthenware factory. We're announcing them from the 19th century, we're sure, although they bear a much older signature on the octagonal base, these double-bulged vases are decorated with flowers and birds. Perfect state of preservation. (E-HB 228)
