Description

Blin (circa 1950): "Landscape", gouache on cardboard 45 X 48 cm. Unsigned, some scratches. When I acquired this charming landscape with a free and lively touch, it had attached to the back a sheet representing the portrait of a young girl. Two works for the price of one! I had them separated and now put them up for sale. See also the portrait sold separately. My seller had told me that the artist was from Tarbes. Do not hesitate to ask us for photos or additional information by email or telephone. Other photos and many other objects in our shops in Pau and Biarritz and on our website: galerielhoste.com.
