

Hand Face Or Binocles In Silver, Empire Style

195 EUR

Period : 19th century

Condition : Très bon état

Description

Pair of eyeglasses called "Face à main" or binocles, in solid silver hallmarked boar's head and goldsmith's hallmark. From the Napoleon III period, XIX th century. Fairly rare model, Empire style, with eagle wings and four-leaf clover. Very fine carving on the entire face to hand. Mechanism in good working order.
