Description

These rare seated dog andirons or andirons are made to be placed in your fireplace. We had never seen these beautiful bronze "firedogs" before (the name couldn't be more apt in this case). This decorative pair of sitting dog sculptures face each other and they are both in excellent condition. Whether with or without a fire, this rare antique pair will look great in your fireplace and never fail to impress. Dimensions of the dog: Height 30 cm, width of the base 27 cm, length of the hearth bar 36 cm.
