Description

Very beautiful painting in its own juice! Young girl sitting on her stool and tying a string. Subject quite rare and very nice! In his period clothes! Trace of signature lower right? Probably a foreign school given the dress of the young lady and the braiding of her country shoes. To define ? In any case, very beautiful pictorial technique with a beautiful palette of colors well placed on the canvas re-lined at the end of the 19th century. Original frame gilded by the castle. Format of 61x54 cm with frame and 40x32 cm without. Very nice painting visually! Do not miss ! Stunning !
