650 EUR

Period : 19th century

Condition : Bon état

Material : Crystal

Width : 10 cm

Height : 16 cm

### Description

Very beautiful crystal inkwell and copper stopper with a very beautiful Japanese decor representing a bird on a branch and a butterfly. This inkwell can be attributed to the Baccarat house. Typical work of the art nouveau period of the end of the 19th century. The inkwell is in good condition with a very tiny chip on one side but that does not detract from the quality and beauty of the object.
