Description

A lovely Murano art glass vase made by VeArt in 1983. Authentic Italian art glass most likely designed by Mario Ticco or Lino Tagliapietra. Clear glass with ribbons of green glass fused around the body. It has a company label on the body (bleached) and an incised signature 'veart 1983' on the base. A stunning mid-century modern home decor. Very good state. Please contact us for a detailed status report.
