

Regency Mirror In Golden Wood With Glazing Beads, 18th Century

850 EUR

Period : 18th century

Condition : Très bon état

Material : Gilded wood

Width : 56 cm

Height : 110 cm

Description

Elegant and large mirror in gilded wood with glazing beads from the Regency period. Rectangular in shape, the central mirror is surrounded by a molding then mirror beads decorated with geometric decoration in the corners. The set is surmounted by a pediment (from the same period but not his), openwork. It is decorated with a basket garnished with flowers in its center and scrolls and leaves around the edge, all finely carved and gilded. Quality work in very good condition.
