Description

Delphin Massier (1836 - 1907) - Large Column "Heron and Butterflies". Pair of columns with herons by Massier, Each column is surmounted by a vase decorated with flowers and recalls the traditional work of majolica found in the Mediterranean. Created by Delphin Massier (1836-1907) in the town of Vallauris, where his family had lived for generations, these pieces testify to an exuberance and a passion for the local fauna and flora. The two columns decorated with herons This set of columns was such a successful model that in Massier's posthumous product catalog of 1908 they are offered in different sizes. Size: 115 cm high and 55 cm in diameter
