

Art Nouveau Table Lamp

640 EUR

Period : 20th century

Condition : Bel état

Material : Wrought iron

Height : 68

Description

I offer for sale this pretty table lamp characteristic of Art Nouveau ironwork. This is a Belgian work around 1900 to recall the work of Fernand Carion. This very elegant luminaire with its floral graphics. It is made of wrought iron with a waxed black patina. The electricity is functional. The main hanging flower conceals the bulb. Pretty, very decorative piece.
