Description

Nice Scandinavian piece of furniture that can be used as a chest of drawers, a dressing table or even a secretary from the AG Spejl Kobberbeskyttet factory. Indeed this piece of furniture is composed of two parts: a lower part opening with four drawers in front and a step composed of three drawers, a shelf and a door revealing a mirror. It is a beautifully crafted piece of furniture, entirely worked in high quality rosewood. The design of the wood grain on the whole piece of furniture is particularly beautiful. The upper part of the piece of furniture is beveled giving a lot of dynamism to this piece of furniture. The mirror hidden in the top compartment is nicely animated. It rests on four cylindrical rosewood feet joined by three crosspieces also in rosewood. The matte patina is
