4 200 EUR

Period : 20th century

Condition : Très bon état

Material : Gold

### Description

Pompadour ring adorned in a closed setting with a Mediterranean coral cabochon, in an entourage of old-cut diamonds. The basket is beautifully openworked, and the start of the ring adorned on either side with smooth gold leaf. Period: 20th century  
Main material: yellow gold, 750 thousandths, 18 carats, owl hallmark, and platinum.  
Weight of the coral: approximately 7.50 carats.  
Total diamond weight: approximately 0.40 carats.  
Proportions: Height: 24.4 mm, width: 17 mm, thickness: 6.9 mm, width of the ring at the base: 2.7 mm.  
Net weight: about 6.3g.  
Old jewel - Work from the beginning of the 20th century.  
Our opinion: The frame of this old coral ring is flat, which makes it very easy to wear.
