Vintage daisy ring in 18 kt white gold (eagle's head hallmark) adorned in its center with a round cabochon-cut emerald surrounded by diamonds. Double claws start from the diamonds, descend and accompany the threads of the ring body thus openworked and characteristic of the 1960s. The emerald cabochon, domed, brings volume and contrasts in color and material with the diamonds. The claws that set it are worked in fleur-de-lis and bring sophistication to this jewel with a sober look.
