

White Gold Diamond Bangle Ring

3 400 EUR

Period : 20th century

Condition : Très bon état

Material : Gold

Description

White gold bangle ring adorned on its top with an old brilliant-cut diamond in a closed setting, in a starry setting. On either side, 2x4 modern brilliant-cut diamonds are also mass-set in a starry setting. Period: 20th century Main material: white gold, 750 thousandths, 18 carats, own hallmark. Weight of the central diamond: approximately 0.40 carat. Total weight of the other diamonds: approximately 0.60 carat. Proportions: Height: 9.9 mm, thickness: approximately 2.8 mm, width of the ring at the base: 4.5 mm. Net weight: about 10.7g. Authentic old jewel - French work from the 1960s. Our opinion: an old white gold diamond ring that is very easy to wear because it follows the curve of the finger perfectly. Sizing possible, contact us.
