

Donkey Desk Louis XVI Period

850 EUR

Period : 18th century

Condition : Un petit manque de plaquage voir photo

Material : Wood marquetry

Width : 90

Height : 103

Depth : 47,5

Description

Very nice little Louis XVI sloping desk in marquetry in very good condition except for a very small lack on the belt at the front opening with two rows of jumping drawers, three of which are in the first row plus a secret at the bottom of the central drawer. Very beautiful bronze handles with a woman's head as well as three beautiful bronze entrances. It is a very beautiful piece of furniture with beautiful proportions and in very good original condition.
