

Mazarin Desk In Yew Wood

6 000 EUR

Period : 18th century

Condition : Parfait état

Material : Solid wood

Length : 120

Height : 83

Depth : 70

Description

In yew veneer decorated with ebony fillets with a broken top opening onto the worktop and four drawers. On the front there are 9 drawers, 3 of which are simulated, the whole rests on eight sheath feet joined by spacers supported by ball feet in black stained wood. Beautifully crafted, this desk, although old, fits perfectly into a contemporary interior without being ostentatious. Regency period 18th century Dimensions: H: 83; W: 120; D: 70 cm Visit our website: www.meubles-art.com
