Description

Splendid enamel representing a charming gallant scene, of great finesse of execution. It was made by the master enameller FJ Carmona, on a curved and hand-hammered copper plate. FJ Carmona received the Grand Prix des Beaux Arts de Limoges. Our enamel is signed by the artist at the bottom right of the decoration and bears the label of his workshop on the reverse, certifying a work entirely carried out by hand. It is sold in a very beautiful carved and gilded wooden frame.
