| Description |
|-------------|

Rare physionotrace portrait from the 18th century, dated 1791, painted by Fouquet and engraved by Chrétien representing the portrait of the Franco Swiss Anne Louis Tousard D'Olbec, in a medallion frame in gilded wood decorated with pearls, under glass. One of the only copies known to date. Tousard d'Olbec was secretary of state for the short-lived Republic of Valais and mayor of Grône. The set is in good condition, see photos below. Dimensions: diameter 8.9 cm, at sight 6.5 cm. The portrait of his wife for sale in a separate ad.
